Professional Orientation of Vulnerable Young People (PROVYP) project is within Erasmus+ Programme, KA 2 Strategic partnership for Adult Education. Cooperation in innovation and the exchanges of good practices.

Aligned with the Europe 2020 Strategy, the European Employment Strategy and the European Agenda for Adult Learning, the 'Professional Orientation of Vulnerable Young People' PROVYP project seeks to promote re-skilling and up-skilling up-grading skills across 8 Member States, providing vulnerable young people with e-career guidance through Open Educational Resources and improving the orientation measures offered by adult education providers.

Erasmus+ project results platform

The Erasmus+ Project Results Platform is the European Commission's database for the Erasmus+ Programme. It contains descriptions of all projects funded under the programme, including contact information for the organisations involved. It also contains results for projects that have ended, including links to websites.

Erasmus for young entrepreneurs

Erasmus for Young Entrepreneurs is an exchange programme for entrepreneurs, financed by the European Union. It offers you the opportunity to work alongside an experienced entrepreneur in another European Union country and strengthen the skills you need to develop your business. Your stay abroad can last between one and six months.
