

TEXT 1 (AUDIO) A DAY AT THE BEACH

This is a listening test. You will hear a boy talking about a day at the beach with his family.

You will hear the recording twice. The first time, try to get the general idea. The second time, try to remember the details. For each question, answer A, B, C or D, or fill in the blanks. Listen carefully.

I am at the beach with my sister Emma, my grandma and my dad.

It is sunny and the weather is lovely.

My sister is building an enormous sandcastle with three seashells on one tower. She is wearing a blue swimsuit.

Emma tried to swim but the water was too cold.

My grandma is fishing but she feels sad because she only caught one fish. It was too small so she returned it to the sea.

My dad is going for a walk. He takes a photo of a starfish and two red crabs. His photos are amazing!

I am playing with my ball near the water. Football is my favourite sport. I am wearing a yellow cap and green shorts.

There are some birds flying in the sky. Dad says that they are seagulls. I can count four.

My dad prepared some sandwiches to eat and some lemonade. What we all really love when we go to the beach is eating ice cream!
